

Special report by Chief physician dr. Stephan Engelbrecht

Stephan Engelbrecht

No more hemorrhoids
start your pain free life in just 72 hours

Clinically proven & 100% natural way

HAVE YOU EVER felt envious of your friends and colleagues who lead an active social life as if they don't have a care in the world? For them, there is clearly no need to wear a mask that hides the agonizing discomfort and itching of chronic hemorrhoids. After reading this report, you will learn how to once again enjoy carefree activities that others take for granted. Now is the time to get rid of hemorrhoids forever in an elegant and most effective way that has been confirmed by thousands of people.

TAKING A BIKE ride, going to the movies, and relaxing while reading a newspaper on the toilet – these are only some of the activities completely ruined for people who suffer from their invasive, arduous and extremely uncomfortable symptoms.

PAIN, BURNING, ITCHING, tumescence and bleeding are capable of causing you problems every second, every day – up to a point when you realize that they have taken over your life and you have become their mere hostage.

Wouldn't it be wonderful if you could take control over your everyday life once and forever? Wouldn't you like to wake up without the familiar horrid feeling that shakes you up the minute you open your eyes?

How about a peaceful cup of coffee among friends relaxing in the garden in your favorite chair? And then you excuse yourself, take the newspaper and head to the toilet, whose door you used to equate with the entrance to hell?

Or how about hopping on a bike and taking a trip to the country with family and friends, where you will spend a blissfully unforgettable afternoon that isn't marred by grinding your teeth from pain?

In the next few minutes, you will have the opportunity to become a part of the story created by thousands of people who have successfully and permanently done away with hemorrhoids.

This report will reveal to you how to get rid of hemorrhoids permanently in only 14 days and how to prevent their reappearance FOREVER.

I GUARANTEE THAT you will be blown away by how simple it is to elegantly erase those symptoms you have been suffering in silence, hiding your discomfort from friends or colleagues.

How many times have you been in a similar situation:

- You could not concentrate on work as it had become too painful to sit?
 - You called in sick to work with the flu, when in fact you were not able to go because of severe hemorrhoid related symptoms?
 - You had to come up with excuses to deny a friend's invitation to the movies, dinner or a field trip to the country?
 - You put off going to the toilet for days because it seemed as if the toilet paper was soaked in acid?
 - You had to tell your children "NO" when they asked you to go for a bike ride, take them fishing or to the park?
 - You had to secretly throw away your underwear because it was destroyed by blood stains?
 - You simply did not have any desire to get out of bed because the horrific symptoms began as soon as you opened your eyes?
-

STARTING TODAY YOU have the opportunity to begin a new life and put all those embarrassing moments behind you, thanks to the

...MOST EFFECTIVE AND ELEGANT SOLUTION FOR HEMORRHOIDS IN THE WORLD.

I AM CHIEF Physician Dr. Stephan Engelbrecht and I have more than 40 years of medical experience, during which time I have encountered thousands of patients who were not only desperate because of their extremely unpleasant hemorrhoid related symptoms, but were also brought to the verge of psychological breakdown due to their daily suffering.

Most of these patients had to treat their problem symptomatically, until one thing happened:

A REVOLUTIONARY TWIST IN THE APPROACH TO TREATING HEMORRHOIDS.

TODAY MY PATIENTS – and I also speak from my own experience – need only 14 days of treatment, and some even less, before they return to my office with a smile on their face thanks to the fact that hemorrhoids have finally disappeared from their lives - with minimal effort. Believe me, there is no better feeling than to see these thankful people - who until yesterday felt only shame and despair – once again taking control of their lives and fully enjoying the simplest things such as sitting, bike riding or the ritual of a morning visit to the toilet with newspapers in their hands.

"Very impressed and have seen an improvement within 3 days, completely better after finishing a full course after suffering for more THAN 8 YEARS. Thank you."

Karen D. from Ireland

"I am very pleased and extremely satisfied with the product, and I will be pleased to recommend it. My problems have disappeared. No hemorrhoids, no more pain. If ever again I should feel any pain or get hemorrhoids, I will not hesitate to use this. Compared to the products prescribed by my doctor, here in Copenhagen, I must rate the prescribed products to 2 or 3. This product is a clear 10."

Michael from Copenhagen

„This product is simply amazing! I have tried a myriad of remedies in the past but they didn't work. Tried it for the first time when I had a severe case and two bottles did the trick! Have recommended it to clients with great similar results. Thank You!!!"

T. J. from UK

”

AS YOU CAN see, Karen, Michael and T.J. are enjoying their hemorrhoids-free life, and they are just a few people out of thousands who have managed to beat this annoying medical issue forever.

Thanks to this new and revolutionary product which has completely changed the approach to handling hemorrhoid-related problems, my success rate as a medical professional who manages to completely remove or at least greatly relieve all hemorrhoid symptoms, has risen to an amazing 90 percent.

That is why I would like to share these facts with you:

**YOU ARE ONE STEP AWAY FROM
A UNIQUE PRODUCT
THAT HELPED 9 OUT OF 10
PATIENTS WITH HEMORRHOIDS.**

WHEN I FIRST heard of Hemocyl, I was of course skeptical of claims referring to these capsules.

It seemed too good to be true, especially as this is a 100% natural treatment. My awakening came when, after reading the results of the studies that had been carried out, I decided to recommend it to several patients who were chronic hemorrhoid sufferers.

The results surprised me almost as much as the patients.

SYMPTOMS BEGAN TO RECEDE WITHIN ONLY 72 HOURS AND THEY COMPLETELY VANISHED DURING A PERIOD OF 7 TO 14 DAYS. AND WITHOUT ANY UNWANTED SIDE-EFFECTS.

I continued to recommend Hemocyl to my patients and its results have to this day proven as reliable, effective and stable. Since I have personally monitored the condition of each patient who was taking Hemocyl,

I REGARD MYSELF AS ONE OF THE LEADING EXPERTS ON THE MATTER OF ITS USE, DOSAGE AND EFFECTIVENESS.

Since I have previously prescribed my patients symptom treating methods for hemorrhoids, I also consider myself to be quite a competent judge of efficacy when I compare Hemocyl with other treatments.

What makes a good and trustworthy doctor is his ability to transform his rich experience into easily provable arguments and analysis that are based in reality and registered facts.

This is the exact approach I have used to explain to you that at the moment Hemocyl is

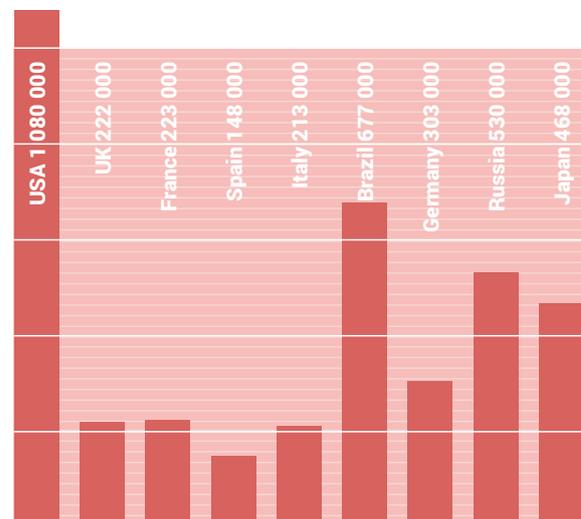

THE MOST EFFICIENT HEMORRHOID REMEDY IN THE WORLD.

MOST PEOPLE WHO suffer from hemorrhoids (and studies have shown that 75 percent of all people will at some point in their lives have problems with hemorrhoids) first try to relieve symptoms with other over-the-counter creams, ointments or oils available in pharmacies.

These are all treatments that work, but only in the short-term. Essentially, these products consist of substances with anti-inflammatory and pain-relieving as well as topical anti-irritation agents. In fact, they have similar ingredients to creams that relieve effects of insect bites.

**FIGURE 1:
NUMBER OF NEW HEMORRHOID CASES PER YEAR**

It is estimated that 50 percent of Americans suffer from hemorrhoid disease by the age of 50 (with only a small percentage seeking treatment). Approximately 10.4 million people in the United States suffer from hemorrhoids. There are 1 million new cases of hemorrhoids each year in the United States alone, with 10 to 20 percent of those cases needing surgical intervention.

IT ALL BECOMES crystal clear when you take a look at the comparative effects of Hemocyl and other products in the table below:

Creams, ointments and oils	HEMOCYL
<ul style="list-style-type: none">• Short-term effects	<ul style="list-style-type: none">• Effective the entire time
<ul style="list-style-type: none">• Symptoms reappear	<ul style="list-style-type: none">• No reappearance of symptoms
<ul style="list-style-type: none">• Contact with the sensitive area	<ul style="list-style-type: none">• Water-drinkable capsules
<ul style="list-style-type: none">• Can be dangerous if used for more than a few days	<ul style="list-style-type: none">• Completely natural, can be used long term
<ul style="list-style-type: none">• Can contain corticosteroids	<ul style="list-style-type: none">• 100% natural ingredients

WHAT I CONSIDER to be amazing about Hemocyl is its superior effectiveness in comparison to other products, even though it consists of 100% natural ingredients.

None of the ingredients in Hemocyl will have much of an impact on hemorrhoids alone, but its unique preparation of herbal extracts and a specially patented combination formula delivers an outstanding impact on hemorrhoid symptoms, the likes of which have never before been registered in any product available on the market.

**AND BEST OF ALL, IT IS
REMARKABLY EASY TO USE.**

EVERY HEMOCYL BOTTLE contains 28 capsules, and all you have to do is take 2 capsules each morning half an hour before breakfast, with water and yoghurt. The first symptoms of relief should be felt within 72 hours.

Hemocyl's effects have been proven in studies carried out on almost 1500 patients, and confirmed through treatments of my own patients:

**COMPLETE REMISSION OR
EXCEPTIONAL REDUCTION OF
ALL HEMORRHOID
RELATED SYMPTOMS WITH
MORE THAN 94 PERCENT OF ITS
USERS.**

Isn't that amazing? We finally have a chance to fight this medical condition of modern life with consummate efficiency and elegance.

SO, HOW EXACTLY does Hemocyl work? I consider it to be a powerful gift of nature. It is probably one of the most efficient natural ways of treating any medical condition, based on its success rates.

Hemocyl improves venous circulation in the rectal plexus area, pelvis, and portal bloodstream, thus unburdening the entire abdominal venous pool.

Reduction of venous blood amounts leads to a decline of intravenous pressure, chronic venous distension ceases, and that results in withdrawal of hemorrhoid symptoms.

Plant extracts act in synergy against inflammation, as well as improving venous circulation by stimulating venous drainage through the portal bloodstream, thus reducing pelvic venous congestion, rectal plexus and liver congestion.

Simply put, Hemocyl is not merely effective when it comes to symptoms, but rather affects the very source of hemorrhoids - and that is what makes it so unique.

But how can I, as a doctor, safely tell my patients that their hemorrhoids will not return if they start using Hemocyl?

Because Hemocyl also acts preventively.

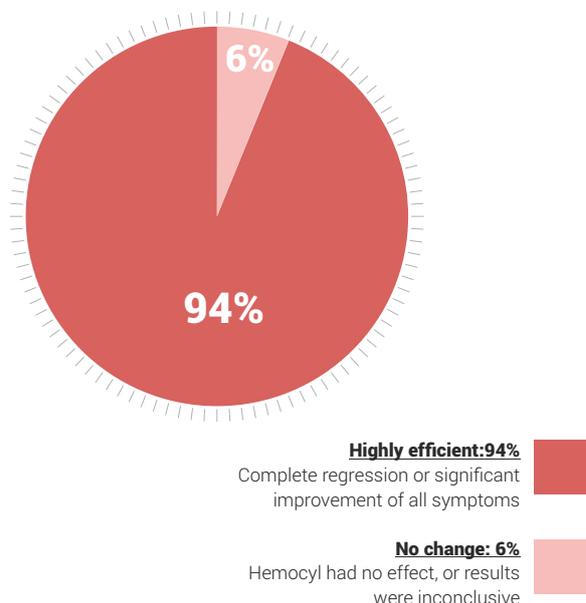

THE RECIPE IS quite simple. One bottle of Hemocyl is enough for half a year and enables you to be hemorrhoid free for a period of 6 months. After that you may take one more bottle no matter whether the hemorrhoids have reappeared or not.

THIS MEANS THAT WITH ONLY TWO BOTTLES OF HEMOCYL A YEAR, YOU WILL START TO LIVE A LIFE WITHOUT HEMORRHOIDS.

I think you will be amazed what Hemocyl will do for you. Just take a look at a couple more messages from satisfied folks who have tried it after years of unsuccessfully struggling with hemorrhoids.

FIGURE 1 I: EXCELLENT RESPONSE IN CLINICAL TRIALS

Hemocyl treatment study, which followed 1200 individuals between ages of 20 and 79, who suffered from hemorrhoid symptoms

"I know I am feeling relief now that no ointment, even from prescriptions, could provide. You have really made a believer out of me."

J. R. from USA

"It is amazing how an herbal medication can solve such complicated issues, especially in comparison to other, more 'serious' drugs. It's been 6 days since I started on Hemocyl and the swelling and itching is gone. I would recommend Hemocyl for anyone with hemorrhoid related problems. I am very happy this product is available."

Kim W. from Canada

"I was in extreme pain and hesitant to pay the price, but it was well worth it! I still don't know how it works, but it's a life saver. It is pretty hard to go through life, without sitting down. I believe in this product so much, that I could do a commercial..."

Eilene H. from Netherlands

”
